LAB 4: Page Layout and Forms

1. Using the source files provided (landing.css, Landing_Page.html, thankyou.html) for LAB 4, modify the landing page and the thankyou pages so that:
    - They are responsive (use fluid grids, fluid images and media queries). Insert a background image.
    - They have a header, footer, navigation bar, page content and additional links sections (slide 24 of page layout). Be sure to include some content in all the sections.
    - The sign up form has a legend, and labels. Also include a date of birth in your sign up form.
